“This House is of the opinion that electoral representation should be proportionate to the number of popular votes polled in favour of political parties in any election, where the number of seats won should correspond to a party’s polling percentage. Adequate laws and legislation should be done accordingly by the Parliament to ensure proper representation of the masses in legislature.”

6: **Ms. Maria Malik** (YP35-PUNJAB16) would like to move the following resolution:

“This House is of the opinion that a ‘single official process’, for the management and resolution of electoral complaints by the citizens and candidates, regarding different phases and aspects of the electoral process (such as the conduct of the polling staff and public officials, location of the polling stations, violations of the code of conduct by candidates or/and political parties) is required in Pakistan”.

Ms. Amina Sheikh (YP24-PUNJAB05)
Mr. Moazzam Habib (YP38-PUNJAB19) and
Mr. Hassaan Masood (YP31-PUNJAB12) would like to move the following resolution.

“This House is of the view that child marriages should be restricted as they are most violative of the rights as very young/child girls are married to old men without their consent like SWARAA, PANCHAAAYAT, or HONOUR. That being a big hindrance in women empowerment in Pakistan should be regulated by proper law.”
