RESOLUTION

- 2: **Ms. Sammiya Mujtaba** (YP42-PUNJAB23) would like to present the following resolution:

“This House is of the opinion that considering the essence of the IFTA’13 “to obtain evidence in time and in accordance with law” it is evident that the law set out does not justify it as it sets out long procedure. Keeping in view the Act specifically allows this investigation in terrorism cases (scheduled offences) for “Fair Trial” this act itself is a hurdle in speedy and fair trial. Therefore, it is proposed that the Government should take into consideration that the Investigation for Free Trial is required in all cases and not only in cases of Scheduled offences. It should lay down proper procedure to dispose the material obtained during the case.”
